Dear Billy,

Your generous support in the amount of \$2,710.00 arrived this afternoon. Many thanks for all you're doing to help us build this program.

Mike Jordan has gone on to greener, we hope, pastures and so I'm back as acting director, at least through next spring. You posed some good comments and questions, which I'll do my best to answer.

First, we're seeing some problems with our website and I had some people who know about such things here last night. I (they) promise it will be much better and more functional in the near future. With that, we intend to have a stronger link with your website.

With that, we will continue to tell our supporters, and interested others, about PERMAWORLD, encouraging them to support us through you. I'd like to know a bit more about how, in your opinion, your idea is working so we can do a brief news article about you in February.

With this letter are copies of some photos, plus a brief description, about some of our work in Ethiopia. We think perhaps your members might want to see some of the work we do. We plan to include it on our website - once we get it smoothed out. Meanwhile, if you can use it, please do. Our best wishes for a Happy Thanksgiving and Blessed Holiday Season,

In Peace and Friendship,
